

The H2O-20 Executive Team is seeking a qualified person or firm to contract for consulting services to guide area residents and community leaders through a city-wide Community Visioning Process.

The H2O-20 effort is gaining more momentum as its Executive Team, working through the Watertown Community Foundation, issues a Request for Proposals for Community Visioning Process and Strategic Plan from potential consultants/firms.

A few months ago, individuals who care deeply about the future of Watertown, SD, and the surrounding area began the visioning process they coined "H2O-20". The goal of the process is to lead Watertown into a new and exciting era of growth, retention, enhanced quality of life and success in all aspects of the community.

The Executive Team, led by Ryan & Lisa Boschee and Rod and Michelle Arnold, consists of 13 individuals. The formation of a broader H2O-20 Leadership Team is underway.
