NOTICE

To help prevent confusion with citizens calling for emergency services during the time of outside pyrotechnic (fireworks) display, please call Watertown Police Department Dispatch (882-6210) and inform them that you have a permit to discharge fireworks and state the time, location of discharge, and permit number. The permitted work as described herein shall meet the current requirements of the fire code.

Outdoor Displays

In accordance with City of Watertown fire code, standby personnel and equipment may be required based on potential fire conditions and weather conditions both prior to and on the day of display/discharge. Should standby be deemed necessary, cost associated with standby will be billed to, and shall be paid by, the permittee. Watertown Fire Rescue reserves the right to cancel permits based on fire potential, given determining factors such as atmospheric and foliage conditions.

NO WORK, DISPLAY, OR DISCHARGE SHALL COMMENCE WITHOUT A VALID PERMIT ISSUED BY FIRE PREVENTION DIVISION.

Applicant

I, the undersigned, do hereby affirm that the statements contained on this form are true and correct. I further agree to comply with the provisions of applicable ordinances of the City of Watertown and all other requirements of this application. In addition, it is understood that the installation of permitted items shall be made only by persons properly trained and qualified to install and discharge the specific items being provided. The installer certifies to this authority that the installation and discharge is in complete agreement with the terms of the listing and manufacturer's instructions and/or approved requirements.

Furthermore, I accept responsibility for costs associated with standby personnel and equipment, when required, that may be needed to conduct the display as noted on this permit application.
