

## **Bramble Park Zoo!**

### **Re-opening information and restrictions--**

Bramble Park Zoo is open, please remember to:

\*Refrain from visiting the zoo, if you (or a member of your family) are exhibiting any illness symptoms.

\*Follow CDC's guidance on personal hygiene prior to and during your visit the zoo. Carry sanitizer and/or wash your hands often while visiting the zoo.

\*Prepare for limited access to public restrooms.

\*Dress appropriately for the weather as indoor spaces will not be open.

\*While on zoo walkways, warn other users of your presence as they pass, and step aside to let others pass.

\*Follow CDC guidance on the recommended size of social gatherings.

\*Observe CDC's minimum recommended social distancing of 6 feet from other individuals at all times. If this is not possible, users should find an alternate location or depart that space.

The following areas will be closed to the public:

- Discovery Center
- Terry Redlin Environmental Center
- The Big Red Barn
- The KidZoo
- Dino park
- Playground equipment

The only restrooms will be on the east side of the Discovery Center and access will be from the outside.

Additional hand sanitizer stations will be placed around the zoo. When weather permits, touchless soap and water handwashing stations will also be opened.

Since some animals are more susceptible to the virus we are requiring extra clearance around the cats, primates, and otters. No touching or feeding of the animals will be permitted.

For quicker contactless admission, please have your membership and ID or credit/debit card ready. We would rather not have to deal with cash!
