The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic.

Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

## History of St. Joseph Parish (A Century of Catholic Faith) 1889-1989

It was the year of our Lord 1890 the 23<sup>rd</sup> day of November, when eighteen Catholic families, living north and northwest of Kranzburg, in and around the town of Waverly, decided to tear away from their present parish of Kranzburg. With the help of the priest at Watertown and the approval of the Rt. Rev. Bishop Marty of Sioux Falls they would establish a mission of their own.

The reason for establishing a new mission was the distance from Kranzburg and the hardship of attending Divine Services especially in wintertime. Most of these families at that time lived in rather poor circumstances and had to go to church either by foot or in a box-wagon with roads sometimes unpassable by snowdrifts or high water in the Willow Creek. These families could not be blamed for getting the idea into their heads to establish a little parish of their own where they could worship God nearer to their homes.

Being beginners on their farms and on account of hard times these members were not able to erect immediately a church edifice, but rented the upper room in the two story school building in the village of Waverly, which they fixed up for a chapel. The first Mass in the school chapel was held by Father Wernich. It was decided in a meeting held on July 19, 1896 to acquire lots and put up a modest church building.

On October 19, 1896 a deed was filed whereas Peter J. Klein and Herman Thyen, trustees of St. Joseph Church, paid \$1.00 to the Waverly Townsite Company by James F. Harkness, its president of Codington County, SD, witnessed by Isabella Jellis and Maggie Schultz.

An affidavit stating "One acre formerly conveyed for the use of a cemetery" in deed from Emma Wingate and Charles A. Wingate to Maria Caroline Brandriet, dated October 10, 1893 was filed for record on October 24, 1893 and which cemetery is also referred to as "less an acre in a cemetery" in deed from Maria Caroline Brandriet to Mathew Brandriet dated August 26, 1916 and recorded in the office of the Register of Deeds in Codington County, SD, on January 16, 1926. The cemetery is located in one acre in the northwest corner of the southwest quarter of the southeast quarter of Section 29, Township 118, North of Range 51, West of the 5th P.M. in Codington County, South Dakota, Waverly Township, Block # 19 of the Townsite

of Waverly, SD, signed by Mathew Brandriet, Mathew Stricherz, and Gilliam Klein on October 15, 1949. Six lots on block 11 of the village of Waverly were purchased and a frame church 46 ft. long and 32 ft. wide was erected. In the year 1901 a bell was purchased and blessed on November 13, to call the faithful to the Divine Services in the future. Father Wernich's successor was Father Lauer and under his supervision the first church building was erected.

The first resident priest was Father Birkle. In July 1906, Father Kettler took charge of Waverly and his successor was Father Stoltz who remained here for two years. Father O'Driscoll succeeded him till spring of 1909, then Father Lauer was called to take care of Waverly again. In 1911 Father Eckl came and served until 1917. Watertown priests served for one year followed by Father E. J. Keefe, Rev. M. J. Lennon, Rev. P. J. Cafferty, Rev. John Brosnan, Rev. John Ryan and Rev. Mark Kelly. In 1954 we were served by Blue Cloud priests and Father Stemmier from Florence. From Nov. 1954 to April 1972, Father John Nieborski served Florence and Waverly.

In 1971, due to the unstable condition of the bell tower, the church was completely remodeled (bell tower taken down) adding sacristy, cry room, bathroom, air conditioning, new furnaces, new pews and kneelers. When remodeling was finished, it was completely paid for. The bell was moved to a base between the church and the parsonage. The furnishings in the parsonage were sold and the house became the CCD center since we did not have a resident priest. Father John was replaced by Rev. Zygmunt Dzierzek from 1972 to 1979. Father Denis Meier served from 1979 to the end of 1984. Since 1985 Father Bob Krantz has been serving Kranzburg and Waverly.

St. Joseph's parishioners have worked well together at many fundraisers and fun projects such as card parties, rabbit hunts, spring and fall dinners, serving at sales and making and selling crafts. We made and painted a nativity set, cristmons, Jesse tree symbols, stoles for priests in the diocese, we've planted, picked and sold sweet corn; planted hoed and picked potatoes. We have fall barbecues and bazaars, bake sales each year at the Watertown Mall and our latest even was our Soup and Bingo Bazaar.

It was a sad, sad Tuesday, October 17, 1989, when the word swiftly spread, as did the fire, which destroyed our beautiful church and everything in it. However, the spirit of the parishioners could not be burned. Two days later, they met, cleaned, polished and furnished the Town Hall in Waverly in readiness for Sunday Mass and a Baptism. Food was prepared and furnished for the workers by those who could not be there to work.

In late December, Bishop Paul Dudley met for Mass and then a meeting of our parish family and informed us that the Pastoral Council of the diocese and the Finance committee of the diocese had given their approval for us to build a modest building which they hoped would be multi-purpose. The Steering committee is working to be prepared for construction to begin in the spring.

With the records we do have, our St. Joseph parish boasts of 679 baptisms and 169 marriages during the years of 1908 to 1989.

#### Additional history:

The new church was built and dedicated on March 3, 1991. There is also a social area, 5 classrooms, plus the sacristy, and kitchen area.

July 20, 1999 vandals toppled tombstones breaking tops off and tipping over many stones in the cemetery, even the tombstone for the first burial, Johnny Thyen who died on March 31, 1892. The parishioners got together with tractors w/loaders, ropes and chains, etc. to repair and reset the stones.

Dear Father Krantz and Parishioners of St. Joseph Church.

Congratulations on 100 years of Parish life at St. Joseph's. What a milestone for your faith commitment! While you have a small community, you are indeed a dynamic faith-filled body of believers. As you celebrate your 100 years, please thank God often for your ancestors who have passed on their faith to you. I suggest you take your families through your parish cemetery and tell them the stories of those courageous, early pioneers.

This centennial year has been a painful one for you with the loss of your lovely temple of worship. I pray that this will not discourage you, but will provide an opportunity of grace for you to renew your faith commitment as you begin your second century of praise and worship.

May the Holy Spirit guide you and all of us as we discern what the will of the Lord is regarding the Catholic community in Waverly. May St. Joseph, your protector, intercede for you and all of us.

Sincerely yours, Paul V. Dudley, Bishop of Sioux Falls

Dear Friends: It is a joy to be pastor of St. Joseph parish at the time of our Centennial celebration. It is with a spirit of gratitude to our pioneers...those priests and yes, your ancestors for their marvelous faith and love for the church in those early days. What sacrifice...what faith...what generous people they had to be. It is difficult to comprehend all they did, what they did, even with brick and mortar way back then. We are blessed with so many easier ways to do thing these days. These men and women were ready to impart a tradition rooted in the Lord Jesus Christ through a Catholic way of life.

The scriptures tell us that the greatest tribute that there is to being "church" is to be "those living stones." In our Centennial year, we were presented with the ultimate challenge of being living stones. We found out that our faith did go beyond that of a building when the fire took it in October. We continue to proclaim our faith without that of a building structure. What a tribute that is to you who are members not but also to those pioneers who helped to instill a spirit of living stones.

As we reflect on what has been, it is a time to look to what needs to be. It is a special time to reflect on our personal commitment of our faith. The special charisms of our Catholic faith must be carried on. Our love for the Eucharist is essential to being Catholic. Our Church shares with us a special sign...very powerful of God's love through His forgiveness in the sacrament of Penance. We celebrate within church the love of husband and wife in Matrimony. We want to be those living stones for those in need of physical healing, for those who prepare for Christian death.

My people, these sacramental celebrations help us carry out the privilege of the Lord building the house. Scriptures tell us "unless the Lord build the house, we labor in vain."

The greatest expression of gratitude we can have for the gift of the Church in our area for these 100 years is a life lived in a way that our descendants will be celebrating faith because of their ancestors...you and I. Love and Peace, Fr. Bob Krantz Pastor

St. Joseph cemetery is located in the NW corner of SE ¼ of Section 29, Township 118, North of Range 51 in Codington County, Waverly Township-Block # 19 of the town site of Waverly, SD.
